MASSAGES..... 50 MINUTES....80 MINUTES

MAHANA RELAXATION MASSAGE..... \$105.....\$140

Enter our beautifully appointed, tranquil, candlelit treatment room and allow our artisan to perform the perfect combination of light to medium pressure, at your discretion and direction, during this full body massage in combination with a variety of Jindilli body products, soothing away all tension and stress, leaving you fully relaxed and revitalized.

ALLURING AROMATHERAPY MASSAGE.....\$110\$150

Our artisans use the finest, all natural essential oils by Jindilli to enhance physical and psychological benefits and well-being during this customized massage treatment. Luxurious essential oils are absorbed through the skin as our artisan performs a full massage, including pressure point massage if you so desire, promoting relaxation, serenity, and a calming sense of tranquility and well being.

TAHITIAN HOT STONE MASSAGE.....\$115.....\$150

The highly skilled, strategic placement of river rocks warmed to the perfect temperature combined with our skilled artisans therapists' massage techniques using warmed stones and Jindilli body products nurtures the body and gently releases tensions while soothing sore muscles, restoring relaxation, comfort and a sense of balance.

BORA BORA THERAPEUTIC DEEP TISSUE.....\$115..... \$150

Superior technical expertise is used to apply firm pressure in this intense massage, combined with the perfect selection of Jindilli body products, designed to release tension, relax knots within tight, aching muscles and relieve all stress and physical, muscular discomfort.

ISLAND FUSION (CUSTOM BLEND) \$125..... \$165

Customize your own therapeutic relaxation experience with your two favorite massage techniques, creating a unique treatment tailored specifically to you and your needs and desires. Choose two of the following: Relaxation Massage, Tahitian Hot Stone Massage, Bora Bora Therapeutic Deep Tissue or your selection of Aromatherapy oils and scents.

COUPLES MASSAGE

Enjoy that special, necessary time alone with your partner in our candlelit, serene couples' relaxation treatment room while our artisan therapists ensure that simultaneous relaxation massages are a special, memorable event. *Any massage or body treatment can be performed as couple massage.*

ISLAND MINI FACIAL\$75 (25 MINS.)

Refresh your skin with natural cleansing exfoliators to deeply penetrate the surface of the skin, a mask treatment specifically selected for your skin's needs and a finishing cream massage, resulting in visibly hydrated skin, a rise in moisture levels and softening of fine lines.

PARADISE CLASSIC FACIAL\$100\$140

FULLY CUSTOMIZED TREATMENT - Our skin care therapists professionally customize and design the precise treatment and experience for your specific, individual needs. Your therapist performs a full consultation and assessment and creates a treatment following Dermalogica's professional Face Mapping Skin Analysis, maximizing your results during and after treatment. Each customized treatment includes double cleansing, mild to moderate exfoliation, depending upon your individual needs, extraction of impurities and debris from clogged pores, carefully selected treatment masque, massage, skin specific toners, moisturizing, rehydration and solar defense.

MEN'S FACIAL.....\$115\$140

This male-customized service smooths away signs of stress, premature aging and exposure to elements and allows gentlemen to put their best faces forward. The treatment considers male-specific factors, such as shaving habits, removing and preventing ingrown hairs. Your treatment begins with a deep cleansing, followed by an exfoliation treatment matched to your specific needs to remove dry, damaged surface cells. Impurities and environmental debris are extracted from pores, and a customized treatment masque is then applied. While your custom- ized masque treatment processes to revitalize and improve skin tone and firmness, enjoy neck and shoulder massage to release tension.

BRIGHTENING FACIAL\$125 \$150

This is a high performance, luxury treatment designed to nourish, regenerate and energize the skin with a revitalizing boost from potent vitamin and hydroxyl acid exfoliation, resurfacing and retexturing away fine lines, while a powerful, enriched cocktail of vitamins, peptides and botanical extracts reveals healthier appearing, brighter, glowing skin which looks noticeably smoother and more vital after just one treatment.

HIBISCUS ANTI-AGING FACIAL\$125\$150

This firming facial will improve elasticity and restore moisture and improved texture to dry, devitalized skin. Following cleansing, a deep exfoliation treatment is performed to remove damaged outer layers of skin, diminishing fine lines. Specifically developed anti-aging serums and moisturizers are applied and face, neck and décolletage massage is performed, releasing tension in the facial muscles and resulting in firmer, smoother, revitalized appearance of prematurely aging or mature skin.
